## Club Business

President Don Brumbaugh conducted the business meeting at Tatman Run on September 7, 2008. The minutes from the August 3, 2008 meeting were approved.

Treasurer Vince Lent reported there is \$6,892.18 in the RSC checking account and \$1,185.06 in the special tournament checking account. The report was approved.

President Don Brumbaugh called for some member to volunteer the taking of notes at each meeting and compile for the monthly newsletter. We would like more active participation from club members. This is only a small part of the newsletter and we would certainly appreciate some help. This is someone's chance to be more participating!

The four wild pigs that were near Nancy's Campground were trapped and sent to Penn State for examination.

Thanks to Jim Stoner for all the hamburger consumed at the summer picnics / meetings. It was a much-appreciated donation and savings for the club.
